Course Description:

This 12-month course offers students an opportunity to learn from experience – “learn by doing”. Students will secure a practicum/s and will gain valuable practical experience as an education assistant. Students will be engaged in regular 2 hours seminars /workshops as outlined on page 8 of this syllabus. Each student will be journaling about her/his learning and progress achieved, and meeting with the Director Human Services Programs as scheduled to review progress. Each student will be under the supervision of the Human Services Programs Director and a site supervisor. Attendance at all scheduled seminars/workshops and practicum appointments is compulsory. Prerequisite: Successful completion of appropriate courses as identified by the department.

N.B. In this course, you may be required to attend a 12-hour Non-Violent Crisis Intervention Workshop (CPI course) which will be scheduled during your program. Or you may be asked to attend this training at another site/agency. There may be costs related to this training.

Learning Outcomes:

As a result of active participation in these sessions, a student can expect to:

- Demonstrate knowledge of organizational objectives and processes used in the workplace setting.
- Explain the duties and responsibilities associated with being an education assistant.
- Identify challenges that may arise in given work situations, and propose appropriate responses that could be taken by an education assistant.
- Demonstrate how to deal with ethical dilemmas in an appropriate professional manner.
- Understand principles guiding your practice.
- Articulate relationships between classroom topics and situations encountered during the practicum.
- Communicate in ways and use methods appropriate to a professional environment.
- Think critically to solve problems, anticipate outcomes, use and organize information.
- Demonstrate appropriate workplace attitudes and behaviours (responsibility, accountability, initiative, trustworthiness, diligence, friendliness, empathy, etc.).
- Work effectively and harmoniously with others to achieve results: Leadership; initiative; motivate others to succeed; deal with difficult situations; reduce conflict.
- Describe insights into one's own preferences, aptitudes, work habits, style of interaction, and learning processes.
- Plan a career development strategy that will incorporate learning, achievements, and contacts made through the practicum.

Course Format:

This course uses a variety of teaching/learning methods including discussion, personal reflection, experiential exercises, student presentations, role-plays, group activities and especially case studies. Our faculty aims to create a learning environment where the learner is actively engaged in inquiry, critical thinking and problem solving. The classroom provides you with a place where you can learn with and from others in a cooperative and collaborative manner.

You are expected to take a very active part in class discussions and take responsibility for your own learning. Be a positive and co-operative team member. Columbia College uses a facilitation model of instruction where the facilitator's role is to facilitate your learning. The expectation is that you will come to class prepared with pre-class homework completed. Your facilitator will engage you in activities that are based on your completed homework and readings. Your enthusiastic and positive approach in the classroom will create an atmosphere that will help every student develop the knowledge, skills and attitudes that are needed for success.

How you conduct yourself in our classes will, to a large extent, mirror your conduct in society and your future work site. For example, if you have a tendency to ask questions, challenge the ideas of others in a respectful manner, draw out the best from your colleagues, and encourage both group development and task accomplishment in this class, it is likely you will do the same at work. A high level of student involvement and developing professionalism is expected in the classroom as you work towards your goal.

- Read your course outline and be ready to discuss.
- Please write a reflection/journal about your insights/learning from each previous practicum seminar you attend (300 words typed and double-spaced in a word document). Please try to relate your reflection to your practicum experiences and your inner being. This is your reflection and it is your work. Please submit email your written journals during each practicum seminar. It is your responsibility to submit these journals to the Director Human Services Programs at the beginning of each workshop/seminar.

Evaluation - Assessment of Student Performance:

The final assessment in the course will be based on the following elements. ***Please refer to Appendix 1 for Assignment Descriptions and further Assessment Information.***

Title of Assignment/Examination	Length	Due Date	Weight
Practicum Journals	300 words	Every Class except the first class	Pass/Fail
12-hour Non-Violent Crisis Intervention Workshop	N/A	TBA	Attendance
Practicum Evaluations	N/A	Upon Completion	Pass/Fail
Student Engagement	N/A	Every Class	Pass/Fail

Please note that all homework and assignments are due at the beginning of each class.

Practicum Process:

1. Students are required to satisfactorily complete the following classroom sections:
 - Attend Orientation week – be engaged and committed
 - Attend and fulfil the requirements of the orientation workshops.
 - It is expected that the student will display a high degree of maturity, sense of responsibility, and a good attitude and work ethic. Required attendance at workshops/seminars will be considered, along with the quality of participation at these sessions. All academic coursework must be satisfactorily completed and a minimum G.P.A. of 2.0 maintained.
2. Students will undertake their practicum placement on a part-time basis of four to eight hours per week during their program. Although most practicum placements are performed on a voluntary basis in order to gain valuable experience, some employers may pay a modest hourly wage to the student in line with company policy, but do not expect to be paid. If there is remuneration (payment), the student must inform the Director Human Services Programs in order to secure the correct agreement form.
3. It is the student's responsibility to arrange a suitable practicum placement. This demonstrates initiative and professional behaviour. It is important that the student begin a practicum within the first 2 months of the program. Students already employed may complete a practicum placement with their employer, providing the work is clearly program related. The site and the type of work being performed must be approved by the Director Human Services Programs in order to qualify as a practicum placement in terms of this course. Only work performed during the period of study will be considered to meet the requirements of the course. If a student wished to have previous or current employment considered for practicum experience, please discuss with the Director Human Services Programs. This work may qualify under a PLAR (Prior Learning Assessment & Recognition).
4. If a student is having difficulty securing a practicum site, the Director Human Services Programs will provide support. It is the student's responsibility to ask for help.

5. A student who has identified an organization in which they would like to obtain their practicum experience will be responsible for informing the Director Human Services Programs of the necessary information and securing approval from the Director Human Services Programs for the placement site prior to beginning to work at the practicum placement. This may mean that the Director Human Services Programs will need to visit the placement host site prior to granting approval.
6. Once approval is secured, the student will arrange for signing of the practicum agreement with the company and the College prior to the start of any practicum placement. This is necessary due to the legal conditions surrounding a practicum placement. The agreement for a non-paying practicum placement includes Workers' Compensation coverage provided by Columbia College. Without a signed agreement, Worker's Compensation coverage is not available to the student, and the student is working at his/her own risk.
7. Should the student be working at the practicum placement without all documents completed, the student does this as volunteer work that will not be counted towards his/her practicum hours. Columbia College assumes no responsibility for this decision.
8. The student is responsible for ensuring that the mid-point evaluation is completed at 150 hours and the final evaluation at 300 hours. Evaluations are to be handed in to the Director Human Services Programs at per established timelines. Log Hours are to be handed in with the Final Evaluation.
9. If a student does not complete his/her practicum course by the end of their program, the student will not be able to graduate. The student may request an extension of two months by filling out a Practicum Extension Form. The fee for the extension is \$300. Payment must be made at the time the form is submitted to the Registrar's office. A request to have the fee waived may be made by the student if the student has demonstrated every effort from the first month of the program that he/she has been seeking a practicum placement but has been unable to secure one, and has asked for assistance from his/her Director Human Services Programs or that the host site has not been able to accommodate the student with enough hours due to circumstances beyond his/her control. The Director Human Services Programs must support this request which is made to the Manager Student Services. The student will fill out the practicum extension form and submit it to their Director Human Services Programs for endorsement. The form will then be given to the Manager, Student Services for approval. This form is available on Columbia's website under Student Services & Forms, the Administration Office in Building 802, or the Director Human Services Programs.
10. If a student does not complete his/her practicum course by the end of the extension period, the student will be required to repeat the course and pay the tuition fee assessed by the program. In unusual circumstances, a further extension may be permitted.
11. At the end of the practicum experience, the student should write a Thank-You letter to the work site supervisor. This may be a formal letter or in the form of an email.

Evaluation - Assessment of Student Performance:

Grading in this course is on a pass-or-fail basis, subject to the student's satisfactory completion of the practicum requirements as outlined in this course outline. The Employer Evaluation and the Program Director's overall evaluation of the student's participation in such areas as demonstrating initiative in securing a Practicum placement, attendance at appointments, attendance at regular practicum meetings, participation in these meetings, general professional behaviour, provision of documents and journal entries as requested, all play a significant role in the evaluation of the student. The student should demonstrate growth through the practicum experience attained.

In order to meet all requirements, the student must attend all meetings, workshops/seminars; provide the Director Human Services Programs with the two practicum evaluations (at mid-term and final) signed by the practicum supervisor, and a practicum supervisor signed record of log hours. These documents must be submitted by the last day of the final semester of the student's program.

Submission and Completion of Assignments:

You are expected to submit assignments by the due date. Any late assignments may be assessed a marking penalty of 5%. If you are unable to submit an assignment on the due date, you must request an extension **before** the due date by filling out an *Application for Assignment Extension form (SSPP-F012)* that is to be submitted to the Department Chair for approval. This form is available on Columbia's website, Bldg. 802 – Main Office and from Department Chairs.

Requesting an Examination Deferral: N/A

Attendance Requirements:

Columbia College believes that students are committed to their program and learning experiences. However, it is understood that there are times when students may be absent. Any absences can be viewed as a potentially serious disruption of the learning process and necessary achievement of the learning objectives. Being late is also considered unacceptable as it interferes with the learning opportunities of others. Unavoidable absences or lateness must be reported to the course facilitator in advance. Please refer to Columbia College's *Attendance Policy and Regulations (ADM-P151)* for detailed information on Attendance Requirements.

Academic Integrity:

Academic dishonesty is a serious offence and can result in suspension or expulsion from Columbia College.

There is no tolerance for academic dishonesty and any student caught plagiarizing is subject to serious sanctions as outlined in the *Student Code of Conduct Policy (ADM-P229)*. Students are encouraged to familiarize themselves with this policy and avoid any behavior that could possibly be seen as cheating, plagiarizing, misrepresenting, or putting into question the integrity of one's academic work.

Student Conduct:

It is the responsibility of each student to uphold the expectations and responsibilities outlined in the *Student Code of Conduct Policy (ADM-P229)* and any additional requirements established by your program.

Generally, each student will:

- be respectful and courteous toward others;
- demonstrate appropriate and supportive communication skills, and coach, assist, advise and otherwise support other students in their studies;
- manage any personal stress and conflict in a positive and resourceful manner, and assist others to do the same;
- be dressed in a manner appropriate for their workplace or learning environment, as established by the program;
- conduct themselves in a professional manner with regard to their communication with others and their behavior in class;
- conduct themselves with academic integrity in all of their learning activities, tests, exams, and assignments
- keep up with day-to-day classroom and course expectations.

Important Dates:

Description	Date
Last to add/drop courses	5 school operating days from the start of the semester OR before the third scheduled class, whichever is greater
Last day to withdraw without academic penalty	50% or less of the semester has been completed
Final Examination	A final exam may take many formats. If a final exam is scheduled, it will be taken in an assigned room under the supervision of a Test Proctor. <u>Students must be on time as they will not be permitted to enter once the exam has started.</u> Exam dates, times, and location are posted by the main office Bldg. 802 and by the library in Bldg. 4. <u>It is the student's responsibility to check this exam posting.</u>

Appeals:

Please refer to the *Student Appeal Policy (ADM-P177)*.

Students with Temporary or Permanent Disabilities:

Students with temporary or permanent disabilities may apply for accommodations. To be considered for an accommodation, a student must register with Columbia College's Disability Services by making an appointment with a Disability Services Advisor – Main Office – Bldg. 802 or emailing disabilityservices@columbia.ab.ca. The Department Chair or facilitator is not able to provide you with any accommodations without you taking this step. Please refer to Columbia College's website to review *the Accommodation Policy and Handbook (ADM-P188)*.

Student Support:

Students should be aware that Life Coaching, Career and Disability Services, and Student Support Services (i.e. tutoring, academic strategists, etc.) are provided by Columbia College. Inquire how to request these services at the Main Office in building 802. It is the student's responsibility to discuss their specific learning needs with the appropriate service provider.

Class Schedule/Overview:

Please note that this schedule is subject to change. Any changes or cancellations will be emailed to you. It is your responsibility to check the email address you have given to the school on a daily basis for any messages from the Department Chair/designate, facilitator or College Administration. It is the student's responsibility to be familiar with the information contained in the Course Outline and to clarify any areas of concern with the facilitator.
