

Continuing Education | Dental Assistant

Providing advancement opportunities for RDA's.

The Columbia Difference

Columbia College is an accredited institution with the Commission of Dental Accreditation of Canada. Columbia College offers a variety of modules to Registered Dental Assistants in the province of Alberta. These modules are designed to provide RDAs with the opportunities to complete training for advancement into specific areas of dentistry or to enhance their practice.

Program Description

Some of the Dental Continuing Education modules available at Columbia College include:

- Orthodontic Module (Theory and Clinical)
- Prosthodontic Module (previously called Provisional Coverage and Restorations)
- Tooth Whitening
- Clinical Refreshers
- Intraoral Skills
- NDAEB Board Exam Preparation
- CPE Skills Practice

Providing quality education employers value.
