

# IELTS Preparation Course

Preparing students for the IELTS (International English Language Testing System) examination.

## Start Preparing for the IELTS Exam

This course is designed to effectively equip students with the necessary test practice strategies and skills needed to excel in both the Academic and General Training modules of the IELTS exam. With equal emphasis on reading, writing, listening, speaking, and test-taking strategies, our course ensures a well-rounded preparation. Additionally, each day we delve into sub skills such as academic vocabulary, academic style, and study skills to further enhance your performance. The course is delivered via Microsoft Teams, with training included as part of the course to facilitate seamless learning.

Get ready to confidently tackle the IELTS exam and unlock exciting opportunities ahead!

January, May

## Course Description

By the end of this course, students will be able to:

- Recognize their strengths and weaknesses in speaking, reading, listening and writing
- Recognize and overcome challenges presented in taking the IELTS exam
- Write different academic essay types
- Evaluate and self-correct their speaking
- Be prepared for the mechanics of the IELTS examination (time, order, format)
- Skim, scan and focus on target material in academic reading passages texts
- Interpret and describe statistical data using appropriate language and grammar
- Demonstrate/utilize enhanced vocabulary in writing and speaking
- Formulate, express and defend opinions using appropriate vocabulary
- Demonstrate improved listening skills for comprehension and catching details

## Entry Requirements

All prospective students must take a Columbia College Canadian Language Benchmarks placement test, or provide evidence of achieved CLBs from an assessment centre, a LINC or EAL program, taken within the last year, and must demonstrate that they have completed a minimum of CLB 6 in each language skill (listening, speaking, reading, and writing).
