Admission Requirements

For entry into the Dental Assistant Professional Diploma Program, students may qualify through Standard Admission or Mature Admission:

Standard Admission

Students who are **18 years of age** can apply through Standard Admission, meeting the following criteria:

- Alberta high school diploma, verified by transcript, or Canadian equivalent,
- Minimum 60% in English 30-1 or 70% in English 30-2 or equivalent or successfully meet entry levels on Columbia's ACCUPLACER Next-Generation assessment test.
- Must be 18 years of age by the start of Clinic, (*approx. 5-weeks after the start of classes*)

Mature Admission

Prospective students who are **19 years of age or older** can apply through Mature Admission, meeting the following criteria:

- Have been out of high school for 1 year
- Have met academic English requirements or successfully meet entry levels on Columbia's ACCUPLACER Next-Generation assessment test or equivalent.

Additional and Clinical Requirements

- **Orientation Attendance:** Attend Columbia College's Dental Assistant Program Orientation prior to the start of the program.
- **Admissions Interview(s)** to determine suitability for the profession and opportunity for success in the program.
- **Security Clearance:** Must be received prior to start of first practicum placement.
- **Up-to-date Immunization Record:** Proof vaccination must be received prior to program start.
- **Health & Wellness Status, including Oral Health.** Proof of up to date dental treatments to be provided within 4 months of program start.
- **CPR Certification.** Verification of CPR must be submitted prior to the first day of clinic.
