**** Please note: Program Fees include the Student Services Fee of \$75.00, Tuition, and all Learner Resources.**

- Program fees are calculated by combining the tuition fees, student services fee, and other learning material costs. Learning material costs may include printed instructional materials, textbook expenses, lab facility expenses, equipment, maintenance, lab supplies, etc.
- Program fees are in Canadian dollars.
- Academic-related fees are exempt from the federal Goods and Services Tax. There may be additional charges for extra-curricular activities (ie. specialized field trips, additional seminars, etc.) and for other specialty items in a particular program/course.
- Miscellaneous fees for small items such as binders, calculators, home lab materials, may be associated with some Columbia College courses, and are the responsibility of the student.
- Your registration is not complete until all tuition and related program fees are paid in full.
- Please note: Students applying for Government Student Loans should contact their Admissions Advisor prior to applying for the loan online.
