Alberta Investigator Training

Preparing students for the Alberta Investigator Training Exam

Your Career in Security Services Starts Here

If you're interested in a career as a professional investigator in Alberta, you've come to the right place.

As per the Security Services and Investigator's Act, obtaining a license is mandatory for investigative positions in the province. Our comprehensive Professional Investigator's Training Course includes nine modules designed to provide you the knowledge and skills to excel as a professional investigator. With higher exam success rates compared to the provincial average, we ensure that you are well-prepared to pass the provincial exam and secure your license.

As a certified proctoring site, you can conveniently write your provincial exam at Columbia College or choose from over 70 sites across Alberta.

Join us at Columbia College and embark on your journey towards becoming a licensed professional investigator.
