

Grade 10-12

Academic Upgrading

Missing out on college, university, or a career because you need credits or have low marks?

Your Education and Career Success Starts Here

Our Academic Upgrading program for grades 10-12 is designed to help adult learners meet the requirements to enter college or university. By working with the Principal of Academic Upgrading, you will develop an educational plan and select courses that meet the entry requirements of your desired program. This program is ideal for individuals who want to improve their high school marks in order to meet the entry requirements for post-secondary programs. Enroll in our program today and pave the way for your academic success.

Quality education employers value.
