Your Career in Healthcare Starts Here

Successfully training Licensed Practical Nurses since 2007

This nationally accredited program is designed to give students Practical Nursing theory and clinical experience in continuing care and acute care. With a curriculum that includes classroom instruction, lab skills development, and practicum experience, you'll receive a comprehensive education.

This program is licensed by the Alberta Government Private Vocational Training Branch and approved by the College of Licensed Practical Nurses and Health Care Aides of Alberta (CLHA). Upon graduation and successful completion of the Canadian Practical Nurse Registration Exam (CPNRE), you will be eligible for licensure with the CLHA.

Choose Columbia College's Practical Nurse Professional Program and take the first step towards a rewarding career in nursing.

Quality education employers value.
