Health Care Aide Certificate Program

Successfully training Health Care Aides since 2003!

Your Career in Healthcare Starts Here

Are you passionate about helping others and having a meaningful impact on people's lives?

Columbia College's Health Care Aide program can help you turn that passion into a rewarding career. Designed to provide students with the knowledge, skills, and practical training necessary to work as a health care aide, this program offers a comprehensive curriculum that covers topics such as patient care, infection control, medication administration, and more. With experienced instructors, state-of-the-art facilities, and strong focus on hands-on learning, you'll gain the confidence and expertise you need to succeed in this rewarding field. Plus, get help when you need it with a **1:12 facilitator to student ratio in the classroom/lab and 1:8 in practicums.**

Whether you're just starting your career or looking to enhance your existing healthcare skills, the Health Care Aide Program at Columbia College is the perfect choice for anyone who wants to make a positive difference in the lives of others.

Quality education employers value.
