Alberta Basic Security Training Course

Preparing students for the Alberta Basic Security Training Provincial Exam

Your Career in Security Services Starts Here

Are you looking to pursue a career in security services in Alberta?

The Security Services and Investigator's Act requires individuals working in specific security service positions to hold a license. To obtain this license, completion of a mandatory training program and a provincial exam is necessary. At Columbia College, we are proud to offer the Alberta Basic Security Training (ABST) course. Taught by experienced faculty members with over 20 years of working experience in the field, our ABST course provides practical insights and real-world knowledge to excel as a security professional. With higher exam success rates compared to the provincial average, we ensure that you are well-prepared to pass the provincial exam and secure your license. Offering the flexibility of online or in-person learning, you can choose the format that best suits your needs and preferences.

As a certified proctoring site, you can conveniently write your provincial exam at Columbia College or choose from over 70 sites across Alberta.

Begin your journey towards a successful career in the security services industry by enrolling in the ABST course at Columbia College today.
